 - Concludes with live demonstrations, discussion, and
Certification Ceremony

Outcome: Deep integration of Sampoorna Vaastu with practical case handling, report preparation, and certified completion.

Welcome to a Transformational Learning Experience!

Dear Vaastu Aspirants,

You're about to embark on a deeply enriching journey that goes far beyond layouts and directions. This is not just a course — it's a portal into the living, breathing soul of space design.

As professionals who shape the built environment, you carry the power to influence health, harmony, prosperity, and energy for generations. Through this **Sampoorna Vaastu Consultant Certification Program**, you will master tools and knowledge that will elevate your practice and align it with ancient science — while remaining logical and modern.

In this Course you will...

- **Learn to grid and analyze floor plans**
- **Use digital tools like Google Earth Pro, GeoGebra, BarChart, PowerPoint**
- **Get trained in remedies using colours, yantras, mantras & more**
- **Gain spiritual strength through energy rituals and affirmations**
- **Graduate as a Certified Sampoorna Vaastu Consultant**

This course will empower you to design with **clarity, consciousness, and cosmic alignment**.

Let the journey begin!

SAMPOORNA VAASTU CONSULTANT CERTIFICATION PROGRAM – SYLLABUS

TECHNICAL LEARNING

How to make FLOOR PLAN Using APP

Vaastu of a Plot

- Ideal plot shapes, slopes, angles, and orientation
- Technical concepts of loading, sloping, and contour mapping
